FISCAL ANALYSIS

ASSUMPTION

Oversight Division assumes that in the absence of this proposal the settlement proceeds would be credited to the General Revenue Fund; and

Officials of the **State Treasurer** stated that office could absorb duties to administer one additional state fund without the need for additional resources.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

L.R. NO. 3694-02
BILL NO. Perfected HB 1506
PAGE 3 OF 3
January 26, 2000

DESCRIPTION

This proposal would establish a "Missouri Tobacco Settlement Trust Fund" in the state treasury. The State Treasurer would deposit all moneys received by Missouri under terms of the Master Settlement Agreement into the Fund.

The State Treasurer would invest the moneys in the Trust Fund in a manner similar to the investment of surplus state funds. The moneys in the Fund would not revert to the credit of the General Revenue Fund at the end of the biennium. All earnings from the investment of moneys in the Fund would remain in the Fund.

No disbursement will be made from the Fund until procedures for disbursement are approved by the voters and enacted into law by the legislature.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space. This proposal would not directly affect Total State Revenue.
